MEMORANDUM OF SUPPORT

S.1716 (Bailey) /A.1431 (Lentol) – The 2019 Discovery for Justice Reform Act

February 8, 2019

WESPAC Foundation urges the Legislature to pass and the Governor to sign comprehensive criminal discovery reform this session. We strongly support the Discovery for Justice Reform Act S.1716 (Bailey) /A.1431 (Lentol), which will repeal the current “Blindfold Law” and bring early, open, and automatic discovery to our criminal legal system.

In New York, unlike most of the rest of the country, prosecutors and police are not required to provide copies of police reports and other crucial documents or information or evidence related to their case to people facing criminal allegations or their attorneys until trial begins – months or years after an arrest. Because the vast majority of cases end in either dismissals or plea deals, rather than trials, nearly everybody who is accused of a crime in New York may never see all of the evidence. In short, they are “blindfolded.” This includes police reports, witness statements, exculpatory information, and more. That is why many call New York’s discovery law the “Blindfold Law.”

This unfair law fuels mass incarceration, case delays, and wrongful convictions. It prevents people facing criminal accusations from making informed decisions about plea offers, forcing many to choose between pleading guilty or suffering the well-documented brutality of jail while fighting the charges against them without access to crucial evidence.

Again, WESPAC Foundation urges the legislature to pass and the Governor to sign comprehensive discovery reform this year.
